

# Free Classroom Cushion Kits

Perfect for reading corners & floor seating

## **We have a wide range of comfy cushions available (recycled from furniture!)**

These durable, washable cushions are perfect for floor seating and reading corners and come in many different sizes, colours, and prints to choose from! We have helped furnish hundreds of local classrooms and libraries for free over the years with these.

All cushion covers have been inspected, sorted, and laundered on-site and are in excellent condition. We provide the polyfill for you to stuff the covers as well.

To pick up your classroom cushion materials, please email [reception@canadianmattressrecycling.com](mailto:reception@canadianmattressrecycling.com) to book an appointment.

Pick-ups are only possible on weekdays during business hours and there is a limit of 4 cushion kits free per teacher. If you will be sending someone else to pick up kits for you, please let us know.

If you need more than 4 cushion kits from us, a donation is required to help cover our related laundry and labour costs.

Pick up is from #150 - 715 Eaton Way, Delta (Annacis island)
